2018

Competitive Event

Firefighter Bunker Gear Race

Rules and Regulations

Purpose: To encourage public service students to develop the skills to don firefighter protective gear.

Competition Limits: 5 students per school

Description: Competitors will don fire bunker gear as quickly as possible. When time starts, the student will don all of the required gear. When the student is done, time stops.

Equipment: Will be supplied by each student to compete

The equipment must be approved, in-service gear and shall include:

1. Fire bunker coat with liner, wristlets and collar
2. Fire bunker pants, liner and suspenders
3. Fire boots
4. Fire gloves
5. Fire protective hood
6. Fire helmet with protective ear flap, chin strap and visor

Rules and procedures: Prior to the race, competitors will be allowed to set up and don gear in any fashion, as long as proper donning can be completed safely. Once gear is set and inspected, the competitor may not touch it until time starts.

Evaluator begins the timer. Contestants don the gear. Time is stopped when competitor claps his or her hands together. No other adjustments may be made after clapping.

Penalties: Points shall be deducted for the following reasons:
